- Maybe togs for the secluded bays throughout the course.

What is a Metrogaine?

A metrogaine is a rogaine held in a predominantly urban environment. And a rogaine? Well, that's a fun way to discover and enjoy the beauties of an area using a map and predetermined checkpoints worth a variety of scores. Rogaining can be as competitive or relaxing as you wish as you set how much you want to achieve. Metrogaine takes on a more treasure hunt like atmosphere than a typical bush rogaine and is a great way to build your confidence with rogaining, have some fun and discover urban areas you may never have guessed existed.

Entries Close

\$10 per person for late entries if postmarked after **14th February** - subject to available spaces. Entries not accepted after 21st February.

Look forward to seeing you there. But don't be lured into the traps of the meandering river!
