## The Sublime to the Ridiculous Socialgaine Course Setters Notes

**WELCOME** to our final rogaine in 2005. Please note that you are expected to obey the basic rules of rogaining, that is:

- i. have fun,
- ii. enjoy the area,
- iii. return safe and sound.

Just ask if you need help and/or advice, and if you are new to rogaining, please attend the talk at 09:40.

### PROGRAM:

- 08:30 Registration commences
- 09:40 Briefing for novices
- 09:50 Final briefing for all
- 10:00 Start
- 15:00 Hashhouse opens
- 16:00 Finish
- 16:30 Presentation

### NEW TO THIS GAME?

Plan a route to optimise your available six hours. Visit whichever controls you choose to collect the most points, considering the strengths, aspirations and limitations of your team. Don't be too far from the hashhouse near the time limit – you get penalised for being late, and we worry about you.

Late Penalty is 10 points per minute, or part thereof, after 3PM.

At the start, remember to take your Control Answer Sheet off the "clothesline". Some controls have questions – write the correct answer on the Answer Sheet. Other controls have orange & white flags and you punch the Answer Sheet in the appropriate square to prove you have visited.

At the end, get your Finish Time from the officials, record your pointscore on your Answer Sheet and hand it to Administration. Grab some food, drink, and review your day with whoever will listen.

#### THEMES

Have you selected your theme for the day? On your Answer Sheet you must mark one of the themes – you get bonus points for collecting two or more of your theme controls. Hand your Control Card to Admin before 09:30 so they can hang it on the clothesline start.

### MAP NOTES

- Water. We have not placed any water drops because there are so many options in the suburbs. The creek water on top of the escarpment seem to be OK, marked as "cW" on the map where accessible.
- Map Corrections. We've marked quite a few tracks on the map and tried to correct some faults. Don't trust the accuracy of our tracks, rather the intent. There are numerous tracks unmarked.
- 3) Coast and Escarpment. We've tried to entice you away from the suburbia, towards the coast and escarpment. In the bush the flies don't seem to be a problem – perhaps the leeches ate them all.

### **USING THE TRAIN**

The rules of rogaining say you must only travel on foot. But hey, this is a Socialgaine, so for today you are welcome to use the trains between Austinmer and Corrimal. You have to pay for a ticket of course! The timetable for Sunday is:

5	Austinmer			12.03		2.03		-
	Thirroul		10.59	12.07	12.59	2.07	2.59	
	Bulli		11.01	12.09	1.01	2.09	3.01	
	Woonona	10.11	11.03	12.11	1.03	2.11	3.03	
	Bellambi	10.13	11.05	12.13	1.05	2.13	3.05	
	Corrimal	10.16	11.08	12.16	1.08	2.16	3.08	
	Corrimal	10.52	11.45	12.52	1.45	2.52		
	Bellambi	10.54	11.47	12.54	1.47	2.54		
	Woonona	10.56	11.49	12.56	1.49	2.56		
	Bulli	10.59	11.52	12.59	1.52	2.59		
	Thirroul	11.02	11.55	1.02	1.55	3.02		
	Austinmer		11.57 <sup>.</sup>		1.57			

Train travel may be a useful option for cruising the coast. Travel north or south along the beaches then catch the train to the opposite end of the course perhaps?

#### OUT-OF-BOUNDS:

Quite large sections are marked out-of-bounds to avoid you blundering into mines, industrial zones and school grounds. Please stay clear of the areas marked as out-of-bounds, stay well clear of people's houses and don't cross the railway line or Northern Distributor except at formal crossing points.

### The Sublime to the Ridiculous Socialgaine Course Setters Notes

### HAZARDS. · Be careful near:

- Roads Many north-south roads will be encountered, especially the Princes Highway. If you can miss the main roads, do so. We've tried to set the course to avoid them.
- 2) Slippery rocks along the coast.
- 3) Ticks and (especially) leeches common in this coastal area.

### IN CASE OF INJURY

One person should stay with injured while another (from another team if necessary) gets help. Six blasts on a whistle is the standard call for help.

### Mobile phone contacts are:

lan Almond	0419 258 553
Lucy Temple-Smith	0418 671 742
Rod Doyle	0418 327 087
Trevor Gollan	0408 230 593

### Animals we've seen in the bush:

- Leeches
- Black snake
- Echidna
- Wallabies
- Trailbike riders

### ADVICE

- Stay on the tracks: on the escarpment due to thick vegetation and National Parks conditions of use. On top of the mountain the bush is moderately open – cleared areas tend to be regrown with bracken or lomandra.
- Leg protection: recommended only if you travel off-track at top of the mountain – even there it's not too bad.
- 3) Answer Sheet: don't forget to take it from the clothes line at the start!
- Tide: you may consider the tide for beach walking. Unfortunately high tide is about noon.

**HONESTY:** You do this for personal satisfaction and fitness. Debates are welcomed as to the true answer for question clues but you ARE expected to visit each control for which you claim credit (except #10 where you may ask other teams for the answer).

If found cheating you will be scored as DSQ (stands for disquaced!)
