2013 Autumn 6 /12 hour Rogaine

Gibraltar Rocks

Saturday 10 May 2014

For this rogaine you will have the choice of two durations, 6 hour and 12 hour, each starting at midday on Saturday 10th May.

Like all NSWRA rogaines, this one is open to all. The prerequisites are that you are moderately fit and come prepared with the right equipment. Suitable shoes and wet weather gear are the most expensive items you need. If you are new to rogaining, contact us for advice.

The event caters for everyone, from beginners to experienced competitors. The course setters describe it as "a great rogaining location", predominantly eucalypt woodland with a very attractive open under-story that begs to be walked through. There's a network of tracks crossing the course for those that like to run and there's also plenty of more remote locations for those that don't. The terrain around the Hash house is very pleasant with the nicest terrain that is easy to read and walk through. In the remote corners of the course there's plenty of challenges if you're up for it. It's a small course (1:25,000 on A3) so make sure you take in one of the spectacular lookouts when you're there and look out for some of the local wallabies and echidnas.

The hash house will operate from 5pm Saturday until 1am Sunday. Camping is available at the area and competitors in the 12 hour event are encouraged to camp overnight to reduce the chances of fatigue induced car accidents on the way home. Breakfast will be provided on Sunday morning.
