

The Sublime to the Ridiculous

Socialgaine

Sunday 20 November 2005

The last NSWRA event for 2005 will be the Socialgaine on Sunday 20 November. This event will be 1½ hours south of Sydney CBD with the hash house easily accessible from the South Coast rail line.

Come and experience some of Wollongong's beautiful beaches and spectacular views from the Illawarra Escarpment. As with all rogaines, you decide where, how far and how fast you want to travel. The course will include suburban streets, beaches, bushland and some steep climbs to choose from.

Why not make a weekend of it and enjoy the surrounding area on the Saturday. Nearby accommodation options range from basic beach side camping to luxury hotels.

Event & Fees: This is a 6 hour event starting at 10am on Sunday 20 November. Event fees are \$30 for adults, \$20 concession and \$70 maximum for families.

Camping & Accommodation: There is no camping available at the Hash House but there are plenty of options nearby (between Wollongong and Coledale) with a range of accommodation style and cost.

Travel Alternatives: This event will be 1½ hours south of Sydney CBD with the hash house easily accessible from the South Coast rail line.

Who can enter? Anyone can enter (see note about membership). As with all rogaines, you decide where, how far and how fast you want to travel. Make sure you are suitably prepared for walking in summer.

Membership: It is Association policy that all entrants must be a member of a state rogaining association. In NSW fees cover the cost of insurance, newsletters and ARA affiliation fees. See the entry form overleaf to join the NSW Rogaining Association.

Teams & Categories: Teams must have between 2 and 5 people. All teams are automatically entered in all the age/gender classes for which they are eligible. Class definitions will conform to ARA regulations.

Terrain & Map: The course will include suburban streets, beaches, bushland and some steep climbs to choose from.

Detailed Event Information: This will be available one week prior to the event. It will give the exact location of the event, an equipment check list and any special preparations needed.
