The Objective

- The objective is for your Team is to navigate to as many Checkpoints as possible (designated on the map by a circle and number), in any order, and to accumulate the most number of points you can within 3 or 5 hours.
- The value of each Checkpoint is calculated by replacing the last digit with a zero. E.g., Checkpoint 45 is worth 40 points; 102 is worth 100 points.
- There are 50 Checkpoints, totalling 2,700 points.

The Map

- Thanks to Hamish Mackie for creating the map.
- The map is reasonably accurate, but no map is perfect.
- Minor tracks are not always shown, some tracks may be overgrown and not every twist and turn is indicated.
- Water taps & toilets are located at most of the sports fields. There are also plenty of shops and service stations along the course.

Course Notes

- Within bush areas you must stay on marked tracks.
- Cross over/under main roads and railways at the marked crossings.
- Please keep noise to a minimum, especially near residential areas.
- Do not enter private property or other areas mapped out of bounds.
- No use of GPS devices to aid navigation.
- Only travel on foot - no cars, bikes, trains, light rail, buses etc.
- The sun sets at 5:12pm.

For Your Safety

- Take extreme care when crossing roads - some are very busy. Use footpaths and marked crossings.
- Take care on bush tracks and at creek crossings - they can be slippery.
- If you need assistance, call the Event Emergency Phone (0405 804 741 or 0435 030 201). In the case of an urgent, life threatening emergency, call 000 or 112 from a GSM mobile phone.
- If you withdraw, please try to return to the Hash House. If you cannot make it back, please call the Event Emergency phone - we don't want to be worrying about what happened and sending out search parties needlessly.

Navlight Electronic Recorder

- Your NavLight Tag is to be attached to your wrist before starting.
- ALL Team members must "punch" their Tag at Navlight Control Punches to register the Team's visit.
- The Punch flashes red when placed on your wrist tag for 2 seconds. There is no beep sound.
- If the punch is missing, record your presence with a photo &/or note the surroundings. When you finish, report the problem to have your score adjusted.

Start & Finish

- The 3hr event starts at 4:30pm and finishes at 7:30pm.
- The 5hr event starts at 4:00pm finishes at 9pm.
- When you return make sure all Team members immediately go to the Finish flag and have their wrist Tags punched and removed.
- If your Team returns after 3hrs (or 5hrs) a time penalty will be incurred of 10 points for each minute (or part thereof) that you are late.
- If your Team returns after 8:00pm for the 3 hr event (or 9:30pm for the 5hr event) the Team will be recorded as LATE, with a score of zero.

Afterwards

- Please stay and enjoy the company of fellow rogainers.
- Catering is provided by the Epping Rotary Club from 7:00pm to 9:30pm.
- Presentations will commence at approx. 8:00pm (3hr) & 9:30pm (5hr).
