Cockatoo Island Orienteering Map

Special Points

- All controls punched between 12:30 and 13:30 score double.
- Controls 80, 110, 150 and 200 are at the Hunters Hill Croquet Club, open between 10:30 and 15:45. Your team will be given a croquet mallet and ball. Each member hits the ball in turn until the hoop is run, and then you punch the control that matches your stroke count:

1 stroke	200 points
2 strokes	150 points
3-4 strokes	110 points
5+ strokes	80 points

Please be patient if the teams in front of you are having difficulties, and remember to thank the Croquet Club volunteers.

- The course encompasses seven bridges – Figtree, Tarban Creek, Gladesville, Montague Park, Iron Cove, Anzac and Sydney Harbour Bridge (at a distance). If you punch all ten nearby controls (70 points each), you will score an additional 100 points.
- Controls on the hire ferries will be active from 10:00 to 13:00 (90 and 92) and from 13:00 to 16:30 (91 and 93).
- Controls on Cockatoo Island are time-based. Those active from 10:00 to 13:00 are denoted by a hexagon and their number prefixed by 'M', whilst those active from 13:00 to 16:30 are denoted by the normal purple circle and number.
