(24 HOUR CROSS COUNTRY NAVIGATION)

N.S.W.R.A. Newsletter  
Volume 5, Number 6  
October, 1985

President: Ian Dempsey, 5 Richley St., Kahibah (049) 435790  
Secretary: Dianne van Netten, 42 Charles St., Edgeworth (049) 595935

## Dempsey's Dialogue

The current newsletter is a short one to keep you in touch with some recent goings on, and to remind you of our final event for this year.

Don't forget the Lithgow 12 hour event on October 26. Organise your teams now if you haven't already done so, as this will be our last opportunity to get together in 1985.

The good news from Canberra is that an A.C.T. Rogaining Association was formed earlier this year. They will be holding their first 24 hour event next year, probably in conjunction with the Intervarsity Rogaining Championships.

At the moment, two events are planned in N.S.W. next year. However, there is certainly plenty of space on the calendar for more - so contact our secretary Dianne van Netten (049) 595935, if you would like to be involved.

Finally, I'm in the process of compiling information about rogaines/walks trials held in N.S.W. prior to 1978. The information I am looking for is:

- i) date of event
- ii) where it was held
- iii) map used and location of checkpoint markers
- iv) organisers
- v) winners

I would appreciate your assistance if you have any information. Send it to 5 Richley St., Kahibah, 2290 (049) 435790.

See you all at Lithgow.

Ian Dempsey.

## Next Event

A.C.T. 12 Hour Rogaine	-	18th October

The Victorian calendar will be published in a future newsletter.

## 1986 AUSTRALIAN ROGAINING CHAMPIONSHIP

To be held by the Western Australian Rogaining Association on the 20th and 21st September, 1986.

Start thinking about it now. Maybe you could make a holiday around it.  
More details later.

2nd A.C.T. 12 Hour Rogaine Championship

This was a highly successful event enjoyed by all who competed. The whole event appeared to be free of complaints. Captains' Flat is a beaut area. However, don't be fooled by the name. It is a long way from being flat. Paul and Phil had also arranged for ideal weather conditions. Keep up the good work, A.C.T.!
